Dissemination of INNOLEA Project During INVENT Final Conference

A dissemination for INNOLEA projects has been prepared during the activities of the final conference of **INVENT** project, which was held in the DeadSea, Jordan, Sep.25,2018.

The conference was attended by different European and Jordanian organizations, under one of the most motivational series of visits for Erasmus+ Projects at different educational institutions by the **EACEA** (Education, Audiovisual and Culture Executive Agency), Mr. Clivio Casali; the programme manager, and the **National Jordanian Erasmus+ Office** team.
