Erasmus+ National Office in cooperation with Hamdi Mango Center for Scientific Research at the University of Jordan (UJ) organized a Technical Assistance Missions (TAM) workshop entitled "Research Based Teaching".

The seminar was presented by Professor Abeer Al-Bawab, who is one of Higher Education Reform Experts (HERE) in the office and modern teaching methods expert Professor Roberto Cerbino from the University of Milan, Italy.

The lecturers provided a detailed scientific explanation on the mechanisms of activating research method in teaching academic subjects, at both the undergraduate and postgraduate levels.
