

Project ID	33143-2005
Project Type	MEDA 2005 Training Courses for Institution Building
Target Country	JO
Title	IB for Support of Inclusive Special Education
Objective	To improve education and integration of children with special needs the project intends 1. to create an ISE Support Centre at the University of Jordan as a hub for capacity building, competence development and open access to ISE services. The aims are: 2. To improve Inclusive Special Education (ISE); 3. To improve cooperation between HE and public and private organisations; 4. To offer tools to public and private organisations and institutions; 5. To develop Human Resources in the field of Inclusive Special Education and provide potential public and/or private employers with qualified teachers/trainers; 6. To create an area for mutual exchange of practical experience and theory and to apply theory to solve problems in practical situations
